

HUNTER VALLEY MINING CHARITY RUGBY LEAGUE KNOCKOUT COMPETITION 2018

SATURDAY 13TH OCTOBER 2018 - PIRTEK PARK, SINGLETON

TEAM SPONSORSHIP PROSPECTUS

This event is presented by the
Westpac Rescue Helicopter Service – Singleton Volunteer Support Group

EVENT OVERVIEW

With 2,000 spectators attending and 350 players participating last year's event, local mining employees will once again swap their hi-vis uniforms for footy gear this coming October for the 2018 A-Plus Contracting Hunter Valley Mining Charity Rugby League Knockout Competition day, held in support of the Westpac Rescue Helicopter Service.

Designed at delivering an all-inclusive event that can unite the entire Hunter Valley community through the love of rugby league, this year's event is set to attract another 350+ players representing their respective mine sites as they compete in a full day knockout competition. The successful teams will advance through the day's draw to compete for the perpetual charity shield and the all-important bragging rights.

Apart from what is sure to be 'state of origin' worthy football, an estimated 2000 spectators are expected to attend Pirtek Park at Singleton to support family, friends and colleagues. There will be plenty of free of charge entertainment off-field for children with jumping castles, amusement rides, face painting and giveaways.

This event is hosted and managed by the Westpac Rescue Helicopter Service - Singleton Volunteer Support Group. The Support Group was formed in 1997 and for the past 21 years' local volunteers have worked hard in the Singleton community busily raising funds to ensure that the Service is available 24 hours a day, 365 days a year. No person who is assisted by the Westpac Rescue Helicopter Service has ever paid.

WESTPAC RESCUE HELICOPTER SERVICE

Each year the Westpac Rescue Helicopter Service is ready to respond 24 hours a day to help save lives with our community. Established in 1975 as a weekend beach patrol and through community support and fundraising it has grown to become a critical lifesaving service that operating from three bases in Belmont, Tamworth and Lismore.

Today the Rescue Helicopter delivers aeromedical search, rescue and inter-hospital transfers to care for communities throughout Northern NSW including the Mudgee region, as we fast approach 2,000 missions per year. No matter the age, gender or scenario, the Service is there for people injured on the roads, farms, workplaces, in the ocean, on sporting fields or in the bush.

In over 43 years of service, no one has ever had to pay to be assisted by the Rescue Helicopter. That is because people in our community, along with the NSW Government, through NSW Health and NSW Ambulance, provide the funds to ensure the Rescue Helicopters are there when, and where, they are needed.

Since 2014, the A-Plus Contracting Hunter Valley Mining Charity Rugby League Competition has raised **\$207,000**

The AgustaWestland AW139 Fleet

- Four AW139's service 1.5m people throughout Northern NSW, from the Hawkesbury to the Queensland border, making it one of the leading aeromedical services in Australia.
- The Rescue Helicopters operate from three bases at Belmont Airport, Lismore Airport and Tamworth Airport. Deep Level Maintenance, Engineering and Administration are at Broadmeadow (Newcastle).

Missions

- Primary – attend accident site, treat and transfer patients to hospital
- Inter hospital transfers – transfer patients between hospitals for specialist treatment
- Search and rescue – help to locate missing people, rescue and return to safety

People

The crew includes a Pilot, Aircrew Officer, NSW Ambulance Paramedic, NSW Health Doctor and depending on the needs of each patient the team may include a specialist nursing professional.

Crews are supported by experienced planners and Licensed Aircraft Maintenance Engineers, as well as community and office based functions.
